

AKYISAN

Official Position Against Vaccinations and Religious Exemption Affidavit

AKYISAN (eh'-chee sah'-een) is a descriptive of the ritual culture of **Afurakani/Afuraitkaitnit (African) Ancestral Religion** in North America. When **Afurakanu/Afuraitkaitnut** (Africans - Black People) were forced into North America during the enslavement era we continued to engage in our Ancestral Religious expressions. All **Afurakani/Afuraitkaitnit (African) Ancestral Religious** practices have the same fundamental cosmological foundation. We align our thoughts intentions and actions with the Great Mother and the Great Father Supreme Being, through the agency of the **Deities** (Divine Spirit-Forces animating Creation - Children of the Supreme Being) and our Spiritually Cultivated class of spiri -genetic **Ancestresses and Ancestors**. Afurakani/Afuraitkaitnit (African) Ancestral Religion is thus defined in essence as:

The ritual incorporation of Divine Law and the ritual restoration of Divine Balance

Through ritual we **incorporate** those things, objects, deeds and entities we need to incorporate in order to align our thoughts intentions and actions with Divine Order and through ritual we **reject** those things, objects, deeds and entities we need to reject in order to restore balance to our thoughts, intentions and actions and thus realign ourselves with Divine Order. Ancestral Religion animates **Afurakani/Afuraitkaitnit (African) Ancestral Culture** which is properly defined as:

The Divine Acceptance (Law/Love) of Divine Order and the Divine Rejection (Hate) of disorder

While this fundamental cosmological structure is consistent throughout Afurakani/Afuraitkaitnit (African~Black) communities wherever we exist in the world, our expressions of this structure are unique. Hence, we have different languages, different ritual forms of dance, ritual forms of prayer, ritual forms of song, ritual forms of chant, ritual food preparation, ritual medicine preparation, ritual observances, ritual clothing, ritual architecture, ritual shrines, ritual art, etc.

Members of the various Afurakani/Afuraitkaitnit (African) ethnic groups who were forced into North America during the enslavement era continued our unique expressions of Ancestral Religion intact for over 300 years, thereby perpetuating our same Ancestral Religious expressions practiced in **Afuraka/Afuraitkait** (Africa) for tens of thousands of years.

The various ethnic groups continued our ritual practices under names within our varied languages. Thus **Hoodoo**, from the **Akan** term **Ndu** (oohn-doooh'), is **Akan** Ancestral Religion in North America. **Juju**, from the **Yoruba** term '**Juju**' (joooh'-joooh), is **Yoruba** Ancestral Religion in North

America. **Voodoo**, from the Ewe term ‘**Vodou**’(voh-doooh’), is Ewe Ancestral Religion in North America. **Wanga**, from the Ovambo term ‘**Wanga**’ (wahn’-gah), is Ovambo Ancestral Religion in North America. **Gris Gris**, from the Mende term ‘**Gree-Gree**’, is Mende Ancestral Religion in North America. **Ngengang**, from the Fang term ‘**Ngengang**’ (in-gang’-gang), is Fang Ancestral Religion in North America. There are many other examples of the varied ethnic groups naming their specific Ancestral Religious expression in North America by a term in their Ancestral language to **preserve the ethnic group identity** of the tradition over 300 years.

In our various related traditions what is known as **Conjure** and **Rootwork** is central to our religious practice. The **expansive and contractive poles** of Ancestral Religion as stated above are the *ritual incorporation* [expansive] of Divine Law and the *ritual restoration* [contractive] of Divine Balance.

*It is the **contractive pole** of Ancestral Religion – **the restoration of Divine Balance** – wherein conjure and rootwork for the purpose of healing is manifest.*

Through conjure and rootwork we **ritually provoke** the energy of the spirits of **plant life, minerallife, animal life** and **human life** to restore balance – *to heal ourselves* – from all illnesses be they physical or spiritual (inclusive of emotional, mental, psychological imbalance). This ritual approach is rooted in employing the four elements of **fire, water, earth** and **air** which are governed by Male and Female **Deities, Divine Spirit-Forces of Creation** who animate the Sun, Moon, Stars, Planets, Black Substance of Space, Oceans, Rivers, Earth, Atmosphere, Mountains and more.

These Deities are called **Hoodoo Spirits, Juju Spirits, Voodoo Spirits, Wanga Spirits** and more in our varied cultures. We are directed by the Great Mother and Great Father, who comprise the Supreme Being, to align with their children – the Deities – via **spirit-possession** and **spirit-communication** to extract from plant life, animal life, mineral life and human life the necessary elements and energy to restore balance – heal ourselves. This extraction is further guided by our Spiritually Cultivated **Ancestresses** and **Ancestors** through **spirit-possession** and **spirit-communication** to fit our specific spiri-genetic blood circles. **This is a Divine Mandate.**

Producing herbal and mineral medicines to address all illness through the ritual methodology of Conjure and Rootwork is a critical component of our Ancestral Religious practice, as it is our duty to obey the directives of the Great Mother and Great Father Supreme Being.

Vaccinations produced and distributed by those who have enslaved our people and continuously discriminate against our people is not in alignment with nor expressive of the Divine Authority that we adhere to.

The Ancestral Religious expressions in North America, **African -American Ancestral Religion**, under the umbrella of **AKYISAN** inclusive of **Hoodoo, Juju, Voodoo, Wanga, Ngengang, Gris Gris,**

Gola, Kisi (Gullah, Geechee), Nganga (Bakongo), Kamiti (Kemetic - Ancestral/Ancient Egyptian) and all others adhere to the same Divine Mandate. We who embody these religious expressions govern every aspect of our lives in accordance with these principles. Our Ancestral Religion animates our Ancestral Culture.

Our objection to vaccinations of our children and adult population not only fall under the protection of **religious exemptions** to vaccinations as put forward in federal and state law but also under our **natural** Goddess-God given right to reject anyone seeking to inject our bodies with substances that they have deemed necessary for us irrespective of our aversion to them.

We will not allow anyone to inject chemicals into the bodies of our children or adult population against our will.
