## Cosmology of Divine Twin-Flame Marriage - Part 2

### 6-Week Online Course

The Ntorotu and Ntorou (Goddesses and Gods) governing Creation manifest the foundational principle of the Divine Balance of Male and Female. The term Baiti references the dual or twin, ti, Spirit, Ba/Bait, which manifests as the Divine Flame, Divine Living Energy within Afurakanu/Afuraitkiatnut (Africans~Black People) born of Ra and Rait, the Creator and Creatress. The marriages of the Ntorotu/Ntorou (Deities) and their relationship dynamics are the model for healthy, seneb, marriages with their various relationship dynamics for our people.

Our capacity to function harmoniously in the world is dependent upon our alignment with these Divine Forces in Creation. This is inclusive of maintaining spiritual balance and marital balance which is the foundation of Nationbuilding. In Part 2 we examine the Divine Twin-Flame marriages and the cosmological implications of: Geb and Nut, Ausar and Auset, Set and Nebt Het, Men and Het Heru, Mentu and Tanenet and Hapi and Merit.
