Akan Ancestral Religion

Afurakanu/Afuraitkaitnut (Africans) in North America

Registration: www.odwirafo.com/Hoodoo_Mayn.html

October 15th • 1pm • Free Livestream Event

Aakhuamuman Amaruka Atifi Mu, the Akwamu Nation in North America through the agency of Hoodoo Gyaasedan - Hearth-Shrine of Akan Ancestral Religion in North America, welcomes the Afurakani/Afuraitkaitnit (African~Black) community to participate in our eighth annual HOODOO MAYN - Hoodoo Nation Festival. Our focus is restoring the consciousness of Akan Ancestral Identity as Hoodoo in family blood-circles, culture and ritual as preserved in North America for centuries. Amansesew - Nationbuilding/Restoration is rooted in this, our spiri-genetic inheritance.

HOODOO MAYN [hoooh'-doooh mah'-eehn] is defined in the Akan language as:

HOODOO NATION

HOODOO MAYN is the only festival of its kind, celebrating and examining our Akan [ah-kahn'] Ancestral Religion as brought to North America in the blood-circles of our Akan Ancestresses and Ancestors and maintained to this day. It was through Hoodoo that we were

guided and empowered to heal ourselves, educate ourselves, sustain ourselves, train ourselves, wage war against the whites and their offspring and force the end of enslavement in North America. It is through

Hoodoo that Akan people in North America today will complete our Revolutionary-Resolutionary function of Amanne, Nationism, as a component of the larger collective of Odwiraman, Purified Nation - Afurakanu/Afuraitkaitnut (Africans~Black People) in the Western hemisphere.

Hoodoo is open to Afurakanu/Afuraitkaitnut (Africans~Black People) only, for the Abosom and Nsamanfo (Deities and Ancestral Spirits) are inherited via our direct spiri-genetic blood circles, our Afurakani/Afuraitkaitnit (African) Ancestral clans, via **reincarnation**. All non-Black individuals and groups are excluded from this inheritance and thus ritual practice without exception. The corruptions of

Hoodoo deliberately propagated by the whites and their offspring will be exposed inclusive of the reality that Jesus/Yeshua, Moses, Abraham, Hebrews, Muhammad, Allah, Yahweh, etc. are absolutely fictional characters who never existed. Moreover, the Bible, Quran, Hinduism, Kabbalism, European pseudo-folk-magic, pseudo-'native'-American 'spirituality', Wicca, New-Age pseudo spirituality, 'devil worship', extraterrestrialism, dissexuality/homosexuality, promiscuity, other forms of sexual deviance, marijuana, alcohol and other drug use have absolutely nothing to do with Hoodoo – Akan Ancestral Religion in North America. Our Ancestral Religion is today what it has been for thousands of years: the ritual incorporation of Divine Law and the ritual restoration of Divine Balance. We align ourselves with Divine Order, and thus the Great Mother and Great Father Supreme Being, Nyamewaa and Nyame, through the agency of the Deities and Ancestral Spirits, Abosom and Nsamanfo, who are assigned to us and through whose spiri-genetic blood-circles we are continually reborn.

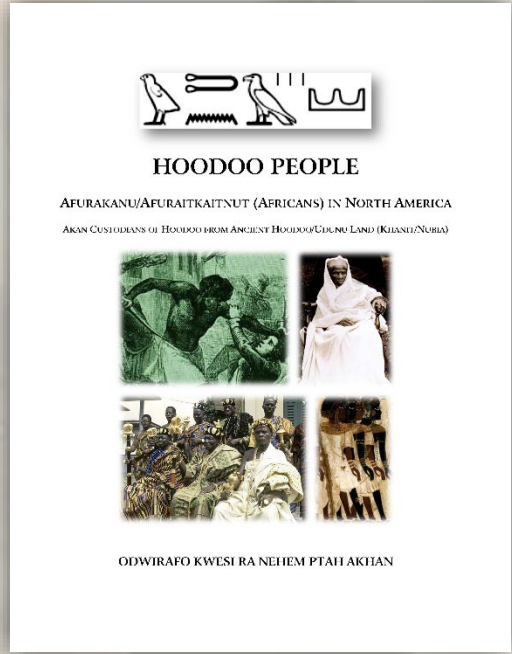

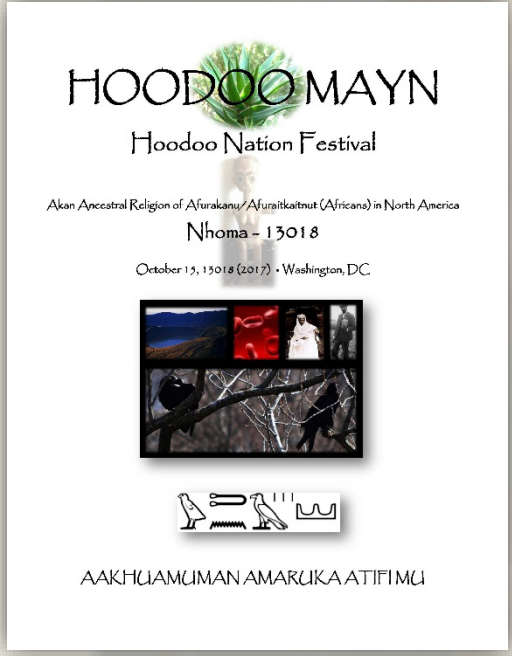

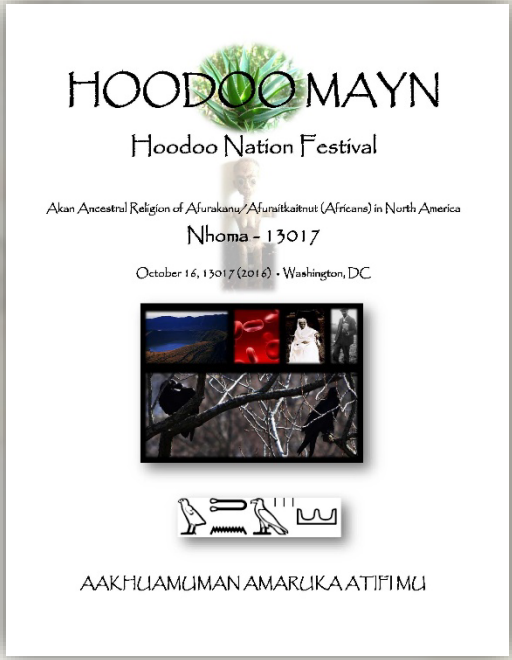

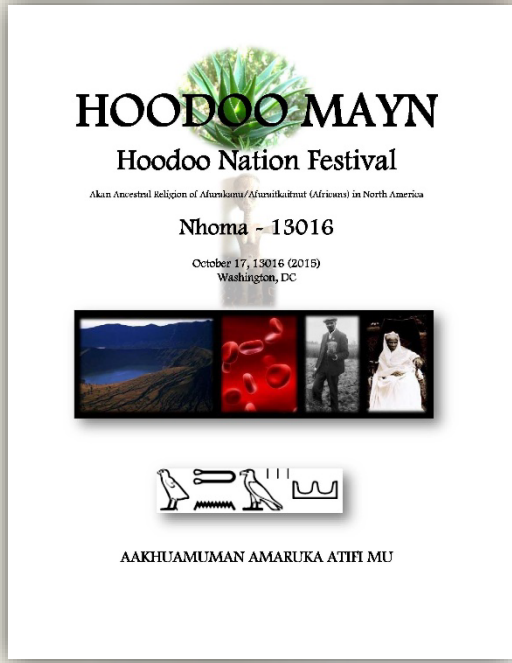

We will have presentations by those involved in Hoodoo from an authentic Ancestrally inherited Akan perspective. We also have our EGUA – Marketplace vendors.

Registration is Required.

HOODOO OBRABO

Hoodoo Lifestyle

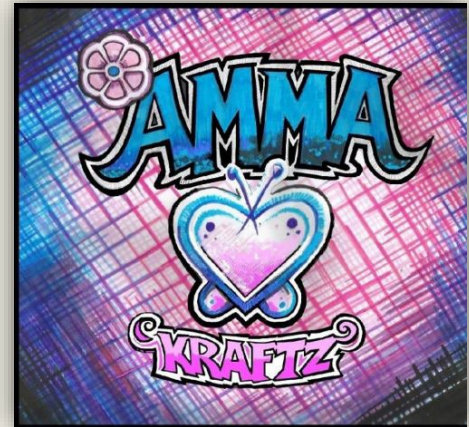

Obra bo is an Akan term often translated as "ethical existence and generativity". It describes a mode of existence wherein one endeavors to 'create and live a good life'. For Akan people, to create and live a good life is to execute our Divine function in the world as given to us by Nyamewaa-Nyame, the Great Mother and Great Father Supreme Being. The benefits of such endeavor are received by all in Akan civilization.

Akan civilization in North America is the Hoodoo Nation. The principal values of Obaatansem and Obarimasem, Afuraitkaitnit (African) Womanhood and Afurakani (African) Manhood, are the foundation of a sound family-structure in authentic Hoodoo culture. These principal values as examined in our books OBARIMA and OBAATAN are rooted in Akan cosmology which is born of the Abosom and Nananom Nsamanfo, the Deities and Spiritually cultivated Ancestresses and Ancestors. Ritual adherence to our principal values is what has sustained us as a Hoodoo Nation in North America for over 300 years.

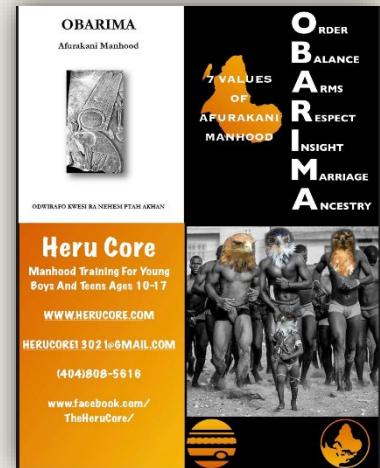

Jojo Maati and Amma Maati will examine Ancestrally grounded masculinity and femininity in the context of Hoodoo cosmology as a foundation for realizing *Obra bo*, a lifestyle of ethical existence and generativity.

Amma Ma'at Kheru Aberewa Maati is an *Osomfo*, traditional Shrine Attendant and Diviner and *Okyerefo*, Instructor within the Hoodoo tradition passed down through the blood-circles of her Akan Ancestresses and Ancestors for centuries in North Carolina and South Carolina. Amma is also the Owner of Amma Kraftz: www.etsy.com/shop/AmmaKraftz

Odwirafo Kwesi Ra Nehem Ptah Akhan of Aakhuamuman Amaruka Atifi Mu, Akwamu Nation in North America will present:

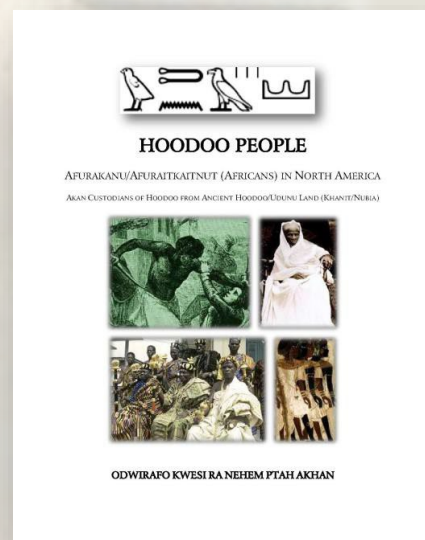

HOODOO KASA

Etymology and Cosmology of Hoodoo Ritual in North America

When Akan people from the region of contemporary Ghana and Ivory Coast, West Afuraka/Afuraitkait (Africa) were forced into the western hemisphere as prisoners of war they continued to practice Akan Ancestral Religion. The Akan term *ndu* (oohn-doooh) meaning 'medicine' from 'roots, trees, plants', also meaning 'to become heavy with the spirit', became the general term for Akan Ancestral Religion in North America. *Ndu* came to be pronounced Hoodoo. The terms *ndu* (hoodoo), *kankye* (conjure), *mogyia* (mojo), *agya* and *agypade* (jack, jack ball), *hintin* (haint), *dwo* (shout), *komfo* (goofah), *Jama Kakadu* (John Conqueroo) and others are all Akan terms born of the cosmology of Akan Ancestral Religion and culture.

The ritual practices and cosmological knowledge expressed through these terms are proof of this reality. Hoodoo is not a 'magico-botanical' art, mixed with European and pseudo-native-american practices. Hoodoo is the Akan Ancestral Religion born of the blood-circles of Akan people in North America, a comprehensive Ancestral Religion spanning thousands of years which is passed down to us only via our spiro-genetic Ancestresses and Ancestors.

Our unbroken circulage, our Ancestral blood-circles borne of ancient Khanit (Khan land/Nubia) to Akan civilization in West Afuraka/Afuraitkait (Africa) to Kankye (Conjure) in North America, is the anato - the pedigree - of Hoodoo. This is the transcarnational inheritance of Akan people in North america.

Odwirafo Kwesi Ra Nehem Ptah Akhan will examine these issues in detail proving the spiri-genetic Akan foundation and transmission of Hoodoo as delineated in his book HOODOO PEOPLE as well as his books series AKRADINBOSOM which demonstrates how we maintained our akradin, soul-names, and our Soular identity based upon the Abosom (Deities) governing the Okra/Okraa (Soul) and the 7-day week in North America. The distinctions between Hoodoo (Akan), Voodoo (Ewe, Fon), Juju (Yoruba) will also be defined in their proper context as Ancestral Religions in North America.

Odwirafo Kwesi Ra Nehem Ptah Akhan of Aakhuamuman Amaruka Atifi Mu, the Akwamu Nation in North America, is an Odumafo, traditional diviner of Hoodoo passed down through the blood- circles of his Aakhuamu (Akwamu) Akan Ancestresses and Ancestors for centuries in Mississippi, Alabama and Chicago.
