
The whites and their offspring attempted to force Afurakanu/Afuraitkaitnit into the false belief that whites had a special relationship with god by creating a fictional son for god and claiming that this fictional white character was the savior of the world. They attempted to make Afurakanu/Afuraitkaitnit believe that our happiness and well being in life and after death is absolutely dependent on us believing in and worshipping the fictional white character. The whites desired to identify themselves with god through their fictional character and therefore force Afurakanu/Afuraitkaitnit into the false belief that whites and their offspring are divine or have god’s blessing no matter what they have done to Afurakanu/Afuraitkaitnit. The whites attempted to control every aspect of the lives of Afurakanu/Afuraitkaitnit through introducing this fictional character that teaches we should love all of our neighbors. These disordered fictional teachings they attached to their fictional character are designed to make Afurakanu/Afuraitkaitnit accept the invasion, destruction, abuse and control from whites and their offspring, and view our suffering and their control as divinely ordered from god. They gave the name jesus, yeshua or hesus to this fictional white character.

**jesus never existed.** The name jesus, yeshua or hesus is taken from the name Khensu, which is one of the titles of the God Heru. In the language of Kamit, Khensu is composed of khi: which means child and nsu: which means royal, Divine, king, and king of southern Kamit. Khensu thus means Divine royal child. For tens of thousands of years Afurakanu/Afuraitkaitnit have communicated with the God Heru and invoked His Spirit under His title Khensu. This title of Heru was corrupted by the whites from Khensu, into hesus, yeshua and jesus and applied to their fictional white character.

The God Heru is a Spirit Force in Creation Whose energy is operating through the core of the Earth, and the core of the Sun. In your body, Heru's energy operates through your cardiovascular system whose major organ is the heart. In your spirit, Heru's energy operates through your will.

The Divine Energy of the Great Spirit, Ra/Rait, flows throughout all things in Creation. The God Heru is a Spirit Force in Creation Who regulates the flow of this Divine energy so that all things in Creation can receive their share of this energy of Ra/Rait and use it to execute their functions in the World. Heru executes this function as He operates through your heart and cardiovascular system, regulating the flow of blood from the heart to all cells in the body, so that all cells can receive the energy they need to execute their functions in the body. Heru executes the same function as He operates through your will, regulating your energy, your actions, towards various behaviors that allow you to execute your function in the world. Heru executes the same function as He operates through the core of the Sun, regulating the flow of solar energy from the Sun to the planets of the solar system, so that the planets can receive the energy they need to execute their functions in the solar system. Heru executes the same function as He operates through the solar energy at the core of Earth, regulating the flow of energy from the core towards the surface of Earth so that the water, sky, plants, animals, minerals and humans can receive this energy and use it to execute their functions in Nature.
**Heru** is thus the Spirit Force in Creation that takes the energy of the Great Spirit, **Ra/Rait**, and regulates its flow to us all. **Heru** is at the heart or core of all things including animals, plants, planets, stars. The knowledge of this God, this powerful Spirit in Nature, was corrupted by the whites and applied to their fictional white character jesus who they made to be a white male, god’s only begotten son, who is directly related to white people and teaches us to love whites, our enemies, as we love ourselves.

The root of the name **Heru** is **Her, Heri or Heri**, in the language of Kamit means, *Chief, King, He Who is above, leader*. This is one of the reasons why **Heru** has the title **Heri** or King. The Sun also has the title as it is the **Heri** or king of the solar system. Your heart is the **Heri** or king in your body. Your will is your **Heri** or king of your actions. The core of Earth is the **Heri** or king of the planet. Your heart, your will, the core of the Earth and the core of the Sun are also hidden from view, and the Divine energy they regulate is invisible or hidden. The term **Seshta**, in the language of Kamit means that which is hidden, secret or sacred. This is why Heru also has the title **Heri Seshta**, which means king or chief, **Heri**, of that which is hidden, secret or sacred, **Seshta**. This title **Heri Seshta** was also given to some priests and priestesses in Kamit. This title was corrupted by the whites from **Heri Seshta** to **Heri Seshtos**, **Kerishtos** and **Christus** or **Christ**. Thus, **Heru** or **Khensu** the **Heri Seshta** was corrupted into hesus the kerishtos and jesus the christ.

As the whites manufactured their fictional white savior, they used the names and titles of the God **Heru**, and the knowledge of the God to create a fictional life story for the new white character.

The entire story of the son of god being born of a virgin, who would grow up to lead the people, be killed and become resurrected as the savior of the world was stolen by the whites from the knowledge of the God **Heru**, His Mother the Goddess **Auset**, His Father the God **Ausar**, and His Father’s brother the God **Set**.

**Ausar** is a God in Creation Whose Spirit operates through the star system of **Sah**, called Orion, through the Moon, and through the black soil substance of Earth. In your body, **Ausar’s** energy operates through your pituitary gland. **Ausar** operates as the masculine aspect of your soul, your **Ka. Ausar** is thus the Force dwelling within your spirit that is always rooted in what is in harmony with Divine order. **Ausar** is a God Whose Spirit has the ability to unify the functions or operations of the various Forces in Nature. The God **Ausar** was thus ordered by the Great Spirit to operate on Earth and teach Afurakanu/Afuraitkaitnut, by example, how to live in harmony with Divine law.

**Auset** is a Goddess in Creation Whose Spirit operates through the star system **Sapadet**, or Sirius, through the Moon, and through the river waters of Earth. In your body, **Auset’s** energy operates through the vagina and uterus structure in the female and the penis and prostate gland of the male. **Auset** operates as the feminine aspect of your soul, your **Kait. Auset** is thus the Force dwelling within your spirit that makes you receptive to what is in harmony with Divine order. **Auset** is a Goddess Whose Spirit has the ability to maintain the unity of functions and operations of the Forces in Nature. The Goddess **Auset** was thus ordered by the Great Spirit to operate on Earth and teach Afurakanu/Afuraitkaitnut, by example, how to maintain their living in harmony with Divine law.

The God **Set** is the brother of **Ausar** and **Auset**. The God **Set** is a Spirit Force in Creation Whose energy operates through the star system **Meskheti**, called the Great Bear, the planet Mercury and the deserts or red hot lands of Earth. In your body, **Set’s** energy operates through the nervous system, and the gonads, which are the testes of the male and the ovaries of the female. In your spirit, **Set’s** energy governs your desire. Desire can be for that which is in harmony with Divine law, yet desire can also be misguided, making that which is disharmonious seem attractive.
In Afuraka/Afuraitkait, the Great Spirit, directed the God Ausar and the Goddess Auset to operate amongst the population of Afurakanu/Afuraitkaitnut and guide our spirits to living in harmony with Divine law and how to maintain the life of harmony. Ausar and Auset became King and Queen in Afuraka/Afuraitkait. As Afurakanu/Afuraitkaitnut in Kamil and Keneset lived under the government of the King Ausar and the Queen Auset, we learned the Divine balance of male and female. Ausar and Auset instructed us in spiritual cultivation, as well as the cultivation of the land. We began to apply what we learned under the guidance of Ausar and Auset and we built great civilizations around the world reflecting the Divine harmony of Creation. Our culture is a reflection of the Divine balance of male and female, Ausar and Auset in all things.

Yet, the God Set desired to govern Kamit Himself, in place of the God Ausar. Set therefore plotted and killed Ausar, disposed of His Body in the river, took over the rule of Kamit, and began a tyrannical, disharmonious government rooted in misguided desire, disorder, lust.

After the murder of Ausar, the Goddess Auset was forced out of Her role as Queen of Kamit. She searched tirelessly for the Body of Her Husband Ausar that He may be given a proper burial. When She found the Body of Her Husband, Auset performed ritual. She began to invoke the Spirit of Ausar from His existence in the Ancestral realm. Through ritual, Auset communicated with Her Husband and was drawn to His Spirit. Through Their Divine Spiritual union Auset became pregnant. Because of Her devotion to Her Husband, Auset was referred to under the title Merit, which means beloved in the language of Kamit. She was called Merit Ausar, or the beloved of Ausar. The whites corrupted this name Merit into mary and maryam and gave it to their fictional white female character. The union of the Spirit of the God Ausar with the Goddess Auset which resulted in Auset becoming pregnant with Her Son, the God Khensu Heru, was corrupted by the whites into the immaculate conception and virgin birth by a fictional white character named mary who would give birth to a fictional white boy, hesus or jesus whose father was god.

The Goddess Auset was informed by the God Tehuti that the Son She was carrying in Her womb would grow to be strong. He would defeat and remove Set from power and reestablish Divine law and order. As Divine Heir to the throne, the son of the God Ausar would restore the Divine government of His Father. Auset was directed to give birth to Her Son and raise Him away from the seat of power of the government, because Set had declared that all male children would be killed. Set knew that the Son of the God Ausar was going to be born. He knew that the Son of Ausar was the rightful Heir to the throne who would challenge the evil government and abolish it. Set thus sought to kill the child as soon as he was born. However, Auset followed the directions of Tehuti. She gave birth to Khensu Heru and hid away in the swamps of Northern Kamit. The whites corrupted this knowledge of the Gods and Goddess into a prophecy to a fictional white female, mary, by an angel that she would give birth to the son of god. The whites made their fictional mary go into northern Egypt or Kamit to hide her fictional son jesus. This is also one of the reasons why the whites made their fictional moses to be hidden in the swamps of Northern Egypt as a baby. The whites also corrupted the knowledge of the God Set into the fictional account of the evil king herod who decided to put to death all newborn boys, so that the savior child would never live to challenge the government. The whites created a fictional character called the devil who they made into a spirit of absolute evil. They corrupted the name Set or Seti into Satan and applied it to their fictional devil.

The God Set eventually found that Heru had been born. He found out where Heru was and had him killed. One of Set’s associates stabbed Heru. When Auset found that Her Son Heru had been killed, She went to embrace the deceased Body of Her Son and lamented. Her Sister, the Goddess Nebt Het also lamented with Her.
Nebt Het is a Goddess in Nature Whose Spirit also operates through the star system of Sapadet, called Sirius, through the planet Venus, and the rain waters of Earth. In your body, Nebt Het operates through your kidneys. In your spirit, Nebt Het governs your emotions.

As Auset and Nebt Het lamented the death of Heru, the Goddess Serqet told Auset to call on Ra. Auset called on Ra the Creator, and Ra sent the God Tehuti from heaven to cause Heru to be resurrected. The whites corrupted this episode into the two fictional marys, lamenting the death of the fictional jesus, and learning of his resurrection from an angel of the lord. Auset, has the title Merit, meaning beloved, yet Merit is also a title held by Nebt Het. For thousands of years Afurakanu/Afuraitkaitnut have communicated with these Goddesses and invoked Auset and Nebt Het under the title Merit.

After Heru’s resurrection, there was great rejoicing because Auset saw in Him one Who would answer for His Father. Heru, along with another warrior God called Heru Behudet the son of Ra, led a great army to victory over Set, removing Set from government. Heru then assumed His rightful place as ruler of the world. The whites corrupted this episode, by applying these acts to their fictional character jesus, claiming that he would overcome satan with an army of angels and become ruler of the world. Heru and Heru Behudet fighting Set together, was applied to the fictional messiah and mabdi of the whites, who come to destroy the rule of satan.

Heru, with the Goddesses Auset and Nebt Het, performed a ritual to resurrect the God Ausar. Ausar was resurrected and His Spirit left the Ancestral realm to rejoin with the Great Spirit, Ra/Rait, to operate as a God in Nature. This knowledge of Heru or Khensu, along with Auset and Nebt Het resurrecting Ausar was also corrupted by the whites. The name Ausar was perverted into Osiris by the whites. The ancient title Ur, meaning great or the great, in the language of Kamit was corrupted by the whites into L [UL]. The God Ausar, under the title Ur-Ausar, was corrupted into L-Osiris. L-Osiris became L-azarus and Lazarus. The fictional jesus, with two marys behind him as their brother lazarus is resurrected, is a perversion of the knowledge of Heru, with Auset or Merit and Nebt Het or Merit behind Him, as They resurrect Their brother the God Ausar. Lazarus comes out in bandages, or mummified, because the God Ausar was always depicted in the form of a mummified God in Kamit.

In Northern Kamit, a major city called Tata, was sacred to Ausar, Auset and Heru. In this city, They were often referred to under the names Ba Neb Tata, Hat Mehit and Heru pa k hart. Ausar, the Father was referred to as Ba Neb Tata, meaning the Ram, lord of the city Tata. Ba Neb Tata came to be pronounced Ba ne Tata or BanTera. The whites corrupted the title Ba ne Tata in to Pantara or Pandira. Ausar was thus referred to as Pandira, and His Son Heru was called Heru, son of Pandira. Heru or Khensu, the son of Pandira, was a title stolen by the whites and used for their fictional character who never existed called jesus or yeshua ben pandira, meaning jesus son of Pandira.

Heru operates through the core of the Sun. The cycles of the Sun, Heru’s cycles, were used to create a fictional life story for the fictional white character jesus. Every year at Spring, near March 21, the day consists of nearly 12 hours of sunlight and 12 hours of darkness. Everyday after the beginning of Spring, the days become longer and longer until on or near June 21 the days consist of approximately 15 hours of sunlight and 9 hours of darkness. Starting on or near June 24, the days become gradually shorter and shorter. By the beginning of Fall, near September 22, days and nights are again nearly 12 hours each. Daylight continues to diminish after the beginning of Fall until the first day of Winter, on or near December 21, when daylight is approximately 9 hours, and night lasts approximately 15 hours. Between December 21 and December 24 the 9 hour days and 15 hour nights continue. On December 25, the days begin to get longer and the nights become shorter. When March 21 arrives, the days and nights are approximately equal again at 12 hours each.
When the daylight, the light of the Sun begins to increase on December 25, our Ancestresses and Ancestors recognized the birth of a new Sun. The Sun, which was created by the Supreme Being, was said to have been born. The Supreme Being’s Sun is born every December 25. This Sun is the light of the World. The whites corrupted this knowledge into a fictional account of a white boy, called god’s son, the light of the world, being born on December 25. Between December 25 and March 21, the sunlight is increasing, yet there are still more hours of darkness than there are hours of light. Darkness, or Set, rules the world as king. When the daylight increases to the point of equality with darkness on or near March 21, the powers of light and darkness are equal at 12 hours each. At this time on Earth, the Sun can be seen positioned on the intersection of the Earth’s celestial equator and the Earth’s ecliptic, which is Earth’s pathway around the Sun. When the Sun is seen to be positioned on the intersection of the equator and the ecliptic, the Sun is said to be positioned on a cross. After March 21, the sunlight increases while darkness begins to decrease. The position of the Sun is no longer on the intersection of the equator and the ecliptic. The Sun is then said to have overcome its hanging or death on the cross. By June 21, the beginning of Summer, the Sun rises at its highest point in the sky. It is said that the Sun has ascended into Heaven to be with the Father.

This cycle of the Sun, Heru’s cycle in nature, was corrupted by the whites into a story of a fictional white male who was born on December 25, struggled with the devil, the prince of darkness and evil king of the world, was hung on a cross, overcame death and ascended into the sky or heaven to sit on the right hand of his father.

The Goddess Auset operates through the star Sapadet, called Sirius, which is the brightest star in the sky. As Auset Sapadet, She is called the great provider, because of the energy She transmits to the Sun and Earth. The God Ausar operates through the star system of Sah, called Orion, and can be found together with the star Sapadet. As Ausar Sah, He is said to make Heaven and Earth fruitful. Together, Ausar, operating through
the star system Sah, and Auset, operating through the star system Sapadet, are Husband and Wife transmitting Their energy to our solar system which develops the energy of Heru, the core of Sun and Earth.

As the Goddess Auset operates through the star system Sapadet, She is called the Queen of Sapadet. In the language of Kamit, Sapad means to provide; provider. This title was corrupted by the whites from the Queen of Sapadet into the Queen of Sapa, Shaba or Sheba. As the God Ausar operates through the star system Sah, He is called Heri Meht. In the language of Kamit, Heri, means King, Chief or Leader and Meht means North or Northern territory. Heri Meht thus means King of the Northern territory. North Kamit was sacred to Ausar as the region where He made His transition to the Sekhet Hetep to rule as King and also where He was resurrected. The title Heri, was corrupted by the whites into Hori, Shori, Sholi, Soli and Sol. Meht was corrupted into Men. This title Heri Meht was thus corrupted into Hori Meh, Sholi Men, solaiman and solomon. The two star systems Sapadet and Sah change positions in the sky and ultimately unite with one another. This union of Sapadet and Sah, is the union of the Goddess Auset and the God Ausar in the sky. This is the union of Auset the Queen of Sapadet, and Ausar or Heri Meht, King of the North. When Auset and Ausar unite through the two stars Sapadet and Sah, They occasion the appearance of a star called Heru am Tuat. Because the God Heru operates through this star He has been called the son of Auset Sapadet and Ausar Sah for thousands of years. As Queen, Auset Sapadet also has the title Rekhit, meaning wise one in the language of Kamit. Heru am Tuat, the star born of the wise Queen Auset Rekhit is thus called Son of Rekhit, meaning Son of the wise one. The whites corrupted the title Rekhit into Lekhim and Lekb. In the language of Kamit, per or perat, means product of, or offspring of. Perat Rekhit thus means son or offspring of the wise one, Rekhit. The whites corrupted per and perat into ben and bayna and ibn. Thus the description of Heru am Tuat as the son or offspring of Auset Rekhit, was corrupted from Perat Rekhit into, bayna lekbin, melelek and menelik, the son of solomon and sheba. solomon, sheba and menelik never existed. The names of these fictional characters and the fictional life stories attached to them are perversions, by the whites and their offspring, of the names and titles of Ausar, Auset and Heru as they function through the star systems of Sah, and Sapadet.

In your spirit, Heru governs your will, Set governs your desire. Ausar and Auset govern your soul, the Divine conscious part of your spirit. When you allow the Divine part of your spirit, to guide your actions you live well. This is Ausar and Auset ruling the country as King and Queen. However, sometimes you allow your misguided desires, or lust, to control your actions. This is Set, killing Ausar, in order to take over the reigns of control. As you live controlled by lust and misguided desire, you cause yourself to suffer. This is Set's rule causing the people to be oppressed. At some point, you decide to make a change. You begin to look for the proper way to live your life. This is Auset, looking for Her Husband Ausar. When you have found out the truth about how you should live, and make the decision to embrace Divine order over a lust-dominated lifestyle, this is Auset finding Ausar, embracing Him, and becoming pregnant with a new will, Heru, to live right. As your newly born will to live right conflicts with your lust or misguided desire, this is Heru and Set, will and desire, the two combatants fighting. When lust wins out, Set has killed Heru. When you follow your intuition and your will to live right re-emerges, this is Heru being resurrected from the dead by Tehuti. When you finally root out the lust or misguided desire, and live according to Divine law for good, Heru has defeated Set and taken over the government of your personal world. As you strive to maintain a life of harmony through seeking the guidance of your Ancestresses and Ancestors, this is Auset, Heru and Nebt Het resurrecting Ausar.

On Earth, Ausar as the black soil substance of Earth is in partnership with Auset, the river waters of Earth. Their partnership brings prosperity to the people. When the red hot desert lands of Set begin to expand and dry up the black soil and the rivers, the people suffer and go hungry. Ausar and Auset have been removed
from rulership, and Set has taken over. When the river waters begin to move and expand again, and move over the black soil, the union of the two, river water and black soil, Auset and Ausar, produce vegetation, drawing on the solar energy deep within the core of Earth and within the Sun. Through the vegetation, Heru's energy is born into the world. The people are thus returned to prosperity and free from hunger and suffering. Ausar and Auset have produced the savior of the world. The hot weather of the desert threatens the existence of the new vegetation, and the vegetation dies as a result. Yet, the vegetation later re-emerges at a certain season. Heru has been killed and then resurrected. The vegetation grows into lush forests with great trees and vines that displace the desert. Heru has taken over the government of the world.

In your body, the pituitary gland, Ausar's region, is a master gland that regulates the functions of other glands. The male and female reproductive organs, Auset's region, have reflexive areas that are connected to all of the major organs and glands. The heart, Heru's region, regulates the flow of blood, and thus energy, to the various organs and structures of the body. The nervous system, and the testes of the male and ovaries of the female, Set's region, governs your desire to act and your sexual desire. When one is controlled by lust, they can place an over-emphasis on sexual activity. They force the body's organs and structures to feed the sex drive. The pituitary gland becomes overworked and submits to the misguided sex drive. The penis and vagina structures of the reproductive area become over worked and weakened as they submit to the misguided sex drive. The glands, organs and structures of the body are drained of their nutrients in order to support the lust of the misguided sex drive. The body becomes weakened. The immune system becomes compromised. Set has forced Ausar into submission, and Auset into submission, and the world or body is suffering under His government. An electric signal from the brain and pineal gland causes the reproductive organs and pituitary gland to begin to function in harmony again. The heart begins to regulate the flow of blood away from its overemphasis in the reproductive organs. Here, Ausar and Auset have reunited or realigned themselves, and Heru has begun to assume His role in government. When your lust fights the normal functioning of the body, there is conflict. You experience anxiety. Your heart then becomes heavy. Set has attacked and Heru has been killed. Eventually, your heart resumes its normal rhythm. Heru has been resurrected. Heru reestablishes the proper regulation of blood throughout the body. The organs and structures receive their proper nourishment again. Set has been defeated.

Ausar and Auset also function through the Moon. The Moon is called Iah, in the language of Kamit. Ausar is connected with the New Moon which is black. Ausar is often depicted as a perfectly Black God. As a Spirit operating through the New Moon, Ausar has the title Ausar Iah. Auset is connected with the Full Moon. The black crescent shape begins to expand day after day, it gradually covers the entire blackness of the New Moon, to become a Full Moon after nearly 15 days. Auset has just come over the perfectly Black God Ausar, and become a pregnant, or Full Moon, with the light of the Sun, Heru. Auset, as the full or pregnant Moon transmits that sunlight to Earth. Heru is thus called Heru Iah, or Khensu Iah. The light reaches Earth and the people who were in darkness. The Full Moon is then reduced to a ¾ Moon. The black crescent shape begins to expand until the entire Moon is dark after nearly 15 days. Set has removed the light and the people of Earth are in darkness again. Heru has been killed. In about 3 days, the silver light of the crescent appears from the face of the dark Moon. Heru or Khensu has resurrected on the 3rd day. The crescent light expands into a Full Moon. The light reaches the people of Earth. Set has been defeated. The people of Earth are no longer in darkness.

Ausar, Auset, Heru, Set, Nebt Het and Tehuti also operate through the lives and events that take place within the clans of Afurakanu/Afuraitkaitnut. Ausar, the great Black King is murdered by Set who is often depicted as red. The Afurakanu/Afuraitkaitnut, the great Black nations of Earth, were destroyed by
misguided desire operating within a small portion of Black people controlled by lust, and a large group of reddish or white foreigners from the deserts of Eurasia who were their followers. Set takes the body of Ausar and throws it in the river, then proceeds to take control of the country. Here, the white foreigners of Europe and Asia take the bodies of Black people and throw them in the water. This is the beginning of the slave trade of millions of Afurakanu/Afuraitkaitnut who are forced into ships and sent into the waters of the Ocean. The white foreigners then take control of the Black nations and create unlawful rules and regulations. Auset is forced out of Her role as Queen and goes to search for Her Husband. This is the remnant of Black people who were forced out of their countries, yet survived the wars and escaped slavery. These Afurakanu/Afuraitkaitnut would search for their sisters and brothers who were still in bondage. Auset finds the body of Ausar, performs ritual, communicates with His Spirit and becomes pregnant. Afurakanu/Afuraitkaitnut who had escaped slavery would find their sisters and brothers on the plantations and seek to unite with them and build alliances with them to plan for freedom from the white slavers. The God Tehuti tells Auset that Her son will grow up to defeat Set, and that She must hide away in the swamps to raise Heru away from the seat of government. Afurakanu/Afuraitkaitnut who escaped slavery set up their own sovereign independent nations in the swamps and forests and mountains away from the plantations. We gave birth to children who would grow to become those who will defeat the rule of the white slavers. Set finds out about Heru’s birth and has Him killed. The white slavers plot against the Afurakani/Afuraitkaitnit males and females creating drugs, and diseases that we use to destroy ourselves and thus maintain white rule. The Goddesses Auset and Nebt Het find Heru murdered and lament His death. The mothers of Afurakani/Afuraitkaitnit males, as well as females, lament as they bury their children daily as a result of violence, drugs and diseases created by the whites. The Goddess Serqet tells Auset to call on Ra. Ra sends Tehuti to cause the resurrection of Heru. We are reminded by our Ancestresses and Ancestors that our liberation is only possible through the invocation of the Goddesses and Gods. We begin to invoke Ra/Rait and the Spirits of the Goddesses and Gods, and the sons and daughters of Afurakanu/Afuraitkaitnut begin to wake up. Heru, with Heru Behudet the son of Ra, defeat Set and establish Divine order in the world. The children of those who were captured and enslaved away from Afuraka/Afuraitkait, are uniting with the children of those who were colonized in Afuraka/Afuraitkait and are defeating the whites and their offspring and their false religions and perverse culture for good. Auset, Nebt Het and Heru resurrect Ausar, and Ausar joins Ra in Heaven as a God in Nature. The children of those Afurakanu/Afuraitkaitnut who were separated from Afuraka/Afuraitkait begin to evoke the Spirits of the Ancestresses and Ancestors, Who then come forth and openly exercise their jurisdiction over the lives of Their children.

Jesus never existed. Mary never existed. Jeshua ben Pandira never existed. Whites have no special connection to god, nor have they been visited by god’s fictional only begotten son. The names of the Gods and Goddesses that were corrupted by the whites and applied to their fictional characters are names of Spiritual Forces in Creation that have always operated through the Sun, Moon, planets, stars, our physical bodies and our spirits and continue to operate through the families and clans of Afurakanu/Afuraitkaitnut.
